My dear Mrs. Manley:

Learning of your shortage of players I have a player in mind that I would like to recommend. He is young (about 22) fast and a good hitter. He battled the Edgewater Giants' pitchers to all corners of the park last year.

I am contacting him to see if he would be interested. He lives about sixty miles from Cambridge.

If you have any players that can't make your team, I would appreciate your sending them to me. Perhaps we might be able to provide the experience they need.

Do you have a farm system for your team? If not our team would gladly serve as one if our type ball is good enough. We play the best semi-pro teams from Pennsylvania, New Jersey, Delaware - Baltimore and Washington.

P.S. This boy weighs
about 190 plays
infield and outfield

Very truly yours
George Cornish

Dear Mr. Cornish

I just received your letter, and was very glad to hear from you, especially with the offer of a promising young ball player. We would like very much to have him. We are playing The Little Giants this coming Friday May 22nd at night at Oriole Park Baltimore. If it would be possible to get him there for the game, I will pay expenses.

We might be able to come to Salisbury and play your team one night next week between the 25th and 30th, if you would be interested. Let me know right away so I can arrange to come. We are in Baltimore again May 30th. I will be looking to hear from you right away. If the boy cannot come to Balto the 2nd can he come to Newark for the 24th.
